Thank you for your interest in the Total Freedom Program. Total Freedom is a highly intensive and disciplined, faith-based addictions program. Here you can receive reconciliation to God, learn His ways, and receive His weapons to fight against the enemy, allowing reconciliation to your family. We have been declaring the truth behind the disease of addiction since 1995, and realize discipline is a major factor in living a productive life. We believe that it is important to have the understanding that there is a consequence to every action or decision one chooses. Trust is earned before privileges are granted. Our goal is to impart the weapons of knowledge and spiritual truths that break the snares of this disease by exposing the illusions created by drugs and alcohol. We know that it is truth, not theory, which makes someone free. Our program is based upon clinical truths that have been used for generations. This is a residential environment with rules, regulations, and high expectations.

We operate short and long term programs for men & women, on a campus of 8 homes in Ocoee, FL. Our short term program is 90 days (please call the office for the current rate), and our long term program is nine months, with a cost of $125 per week (We do have indigent beds available for individuals who are not able to pay for program cost). A one year after care is also available. We have a limited number of beds available for those that are indigent. We conduct classroom study each weekday and group fellowship, bible study or other activities each night and on weekends.

We are a Spirit-filled ministry. We believe in the baptism in the Holy Spirit, laying hands on people while praying, praying in tongues, casting out devils, teaching the truths in the Word of God, and dancing before the Lord. We train people to do the same. If you are not interested in serving the Lord in this capacity, you will struggle here. For the first 2-3 months you will go through a Ministry School of the Spirit with daily quizzes and a final exam. Also included are a Healing Process, which deals with issues of your past, and a Deliverance Session. You will be attending 3 church services a week and at least 2 nightly meetings per week. You must be able to read and write English well and be willing to teach what you learn.

Additional regulations:

- No smoking or tobacco products; No mental medications allowed; No opposite sex relationships unless you are married; No secular TV or music allowed; No sex offenders or predators (due to the fact we are in a residential neighborhood); Must be physically able to work. Due to financial responsibility, and transportation limitations, our clients are not permitted to attend any type of court ordered programs i.e. (battery intervention, anger management, mental health evaluations, DUI, ect.) during the program. We provide extensive classes that help to overcome these situations. Also we cannot accept anyone on house arrest, or sentenced to wear a GPS monitoring device. Clients out on bond or pretrial release are not eligible for an indigent bed.
